I'm a bit of an anal freak and it's all my husband's fault. Before we were married, one night we got pretty drunk on champagne and started making out. Well, that led to us getting it on and after an hour of some heavy petting and great sex, he 'accidently' slipped it into my butthole. I initially screamed a little and he pulled out not realizing what happened. But after a moment, I felt a tingle back there and asked if he would try that again. He was a little surprised but he did it and I've been addicted ever since.

Get ready for some fun, you're going to see a big dick jammed into both of our tight little buttholes with our sphincters closing tightly around it. It fills our butts nicely and we just go crazy when he pumps it in and out of us. Damn, we have the best orgasms that way. Remember, anal sex is never finished until the hot butt ladies scream!

ROXXXY

I'm an anal junkie

When I got the call to do a scene with Lee, I jumped at the chance. He's such a hunk and a really good fuck. I freshened up and headed over to the house. When we met, it was lust at first sight. I just couldn't wait to get my lips around his hard cock. Then it's going to go into my pussy and finally, I can't wait, into my ass. It's the one thing I actually look forward to during sex.

you deserve an A

I take a creative writing class at the local junior college. It's a night class because I have to play wife and mother during the day and these Monday nights are my only break. The instructor is a librarian-like older lady whose favorite author is Emily Bronte. Who? Anyway, I'm writing to you because our class assignment is to write a letter to the editor to a magazine or newspaper. It can be anything we want as long as it is descriptive and makes its point. I think she's going to give me either and A or an F for this. So here goes...

Dear Editor,

We had been together in the past and had remained good friends. He had been an interesting conquest and to this day, is still one of the biggest cocks I have ever had the pleasure of having in my mouth, pussy and ass.

When we were together, I loved unbuttoning him when he was driving, running my hands over his beautiful cock, loving the feel of it under my skin, pulsing and hard. I used to lean over and lick him gently, knowing others might see us and yet not care. Just as long as I could feel his cock along my lips and in my mouth.

He thought I was so filthy whenever I did, calling me a dirty bitch. He was never a big fan of feeling my lips massage his shaft or stroke his balls whilst sucking hard on the head – he was more interested in the excitement of possibly getting caught and then getting me home as soon as possible and throwing me over the first piece of furniture he could find so he could impale me with his cock and eventually fill me with his cum.

We had been out for dinner and a catch up and he had chose to avoid drinking, instead giving people a lift home and one by one, he drove across the city, dropping off friends until it was just him and me. Me, being very drunken on many glasses of wine, spirits and liqueurs, and sprawled quite comfortably in his huge leather passenger seat. It felt nice and cool against my skin and so comfortable. We laughed and chatted as he drove and soon we were at my door. I pouted, telling him I wasn't ready to go home and asked if we could go for another drive. He took country roads, which was much more exciting, the sports handling on his car leaving me sliding on the leather seat, as we turned corners, followed by giggling like a little girl.

I looked over at him and noticed his chiselled jaw and exposed neck and I wanted to kiss it. The collar on his shirt open, exposing a little skin at the top of his chest and I began desperate to undo the buttons. Vodka makes me do crazy things because I started to flirt shamelessly, which he laughed off, telling me I was drunk and would feel very stupid and hungover in the morning. I pouted some more and tried to be as sexy as possible, which may have looked daft and drunken!

I pouted and ran my hand over his thigh and traced the seam of his trousers up to his crotch. I looked over at him with innocent eyes and continued until my hand was grip-

ping his growing cock through his trousers. He gasped initially but continued to concentrate on the road. I could tell in his eyes that he would struggle to say no to me – he always had and I could guess he wanted to know what I would do next and how far I would let this voyeurism go.

It was still quite light outside on that summer evening, so I slowly moved my hand up my thigh and pulled down my panties, lacy and damp. I removed them altogether, holding them up for him to see. I threw them at my feet and slid my skirt up so I could play with myself for him, using two fingers to enter my pussy. After around five minutes of him shifting himself uncomfortably in his seat, he had to adjust his hard cock with his hand. I took this opportunity to lift my hand and put a finger in his mouth, letting him taste my juices.

I could see him looking along the road – looking for somewhere to stop. He suggested somewhere quiet. I refused him, being stubborn and bitchy and he looked at me desperately, frustrated at being so horny and frustrated at my attitude. He started using a pet name he had used on me when we were together, 'hunni' followed by 'I want you'.

We only managed another mile down the road before asking him to turn off and find somewhere to park the car. He looked relieved. He found a spot, turned the lights off and I was already on him, breathing in his aftershave – the one that makes me go crazy - and kissing his mouth, my fingers running through his hair as he held onto my lips with his.

But this was not about foreplay.

I knew what I wanted and I could see from the glint in his eyes that he wanted it too. He positioned my chair as far back as it would go, pushing me backwards, and then turned the handle until the chair eased backwards, moving me horizontal. My legs were still open from my playing and he lunged at my body, positioning himself over me, kneeling in the foot well. He pushed his hands up my skirt, grabbing my ass and pulling me down the seat towards him. He was forceful with me, gripping my thighs hard as his tongue tickled mine.

I'd never thought about the logistics of positioning for sex in the car but here I was legs spread, with my ex-boyfriend unbuttoning his fly, and me eager to be fucked. It felt so filthy, looking outside, seeing it get dark and wondering who might disturb us. They could watch for all I cared – it would be a hell of a show.

His cock lined up with my pussy lips coated with wetness, and he pushed into me. He was trying to hold back I could tell, so I whispered in his ear to "Fuck me... fuck me baby." He rammed my hole for all it was worth, still holding onto my ass, gripping it tight as my pussy gripped his cock. He began to pound my pussy hard and fast as I shook underneath him. He whispered "You can't take it, can you hunni? It's too big for you, isn't it." with me moaning into his shoulder than I would take all he could give me. I loved his cock inside me, stretching me. It was frantic, leaving me moaning and clawing at the back of his shirt, holding on as his cock battered my pussy.

He was getting to the point of no return and I wanted it, too; desperate for him to fuck me harder and faster until he filled me. His nails were digging into my ass and thighs as his orgasm took over... "Oh, fuck yeah." followed by

some almost painfully deep thrusts as his cock began to spurt cum deep into my pussy, twitching as the walls of my pussy held and massaged his shaft. His body was rigid as he filled me with lots of his hot cum. He basked in his orgasm as I kept squeezing his cock more gently now.

He let go of my ass and thighs, staying buried in me and kissed me before looking around for any signs of life in the outside world, or at the very least outside the car, but it was all clear. He moaned as inch by inch he removed his cock from my wet swollen pussy, battered and used by him. He got off me, sweat dripping on me, hot skin leaving me and moved back to his seat, unable to drive yet and breathless from our antics.

I straighten the seat up, found my panties on the floor and put them back on, feeling cum leak from me, soaking my thighs and then the fabric of my panties. He drove away without a peep between us and eventually found his way back to my house. He dropped me off at the curb and I left, without a word, without even a glance back. Once I was inside my home, I put my fingers in my pussy and removed them to taste the mix of cum and my juices. It tasted good; memories of sex with him and memories of why we're no longer together.

– Melissa, Memphis TN

I told her I'd be back

Linda and I had a few dates back when we were in college and now that time has passed and we're both divorced, an opportunity presented itself and we took advantage of it.

I maintain a property across from where Linda now lives. One day in the late afternoon, Linda saw me, came over and asked if I would like to join her for coffee. I took her up on her offer and we sat and talked about our pasts and our families and enjoyed the coffee and each other. As we sat conversing, Linda tried to scratch her back but couldn't reach it. I volunteered to take care of the itch and began to scratch her back. I began to rub and massage her neck and down the muscles of her back. She began to relax from my rubbing and told me not to stop.

After about ten minutes, Linda got up, took my hand and told me to come with her. She led me to her bedroom where she sat on the bed and had me stand in front of her. She then smiled at me, reached over to my jeans, unzipped them and pulled them down to my knees. She then pulled down my boxers to reveal my now hardening cock. She took my cock in her hand and brought to her mouth. With her free hand she reached up and cupped my balls as she was ministering to my now erect manhood with her mouth and other hand.

As her mouth slid further down my shaft, she began to apply suction as she took my manhood in and out of her very hot moist mouth. She had a way of applying the right amount of suction and pressure while foundling my balls. About fifteen minutes was all I could take and I placed my hands on the back of her head and pulled her closer to me as she took more of me into her mouth. I let out a small groan and held her head as my cock contracted and I began to shoot my hot sperm into her mouth. With this, Linda began to suck harder and when I finally stopped ejaculating, she opened her mouth and I saw that she had swallowed every last drop. I stood there for a minute but got myself together to tell her that I had to go. But her frown turned upside down when I told her I'd be back at six for sex.

I'm deliciously bad and I love to be fucked. I want you to part my pussy lips and put your warm wet tongue on my clit. Then I want you to slowly push it into my pussy. Then I want you to close your lips around my clit and suck it hard until I cum. I want you to do the things my ex-husband couldn't do. Can you do that for me. I'd show you how appreciative I can be.

RED HEAVEN

LET'S DO THIS BOYS

If you ask me, I have to agree: redheads do give better head. If it's to one guy or a group of them. And we give better pussy and best of all, we give better ass, if there is such a thing. I like to think of myself as a rare fish because I'm a redhead. We are only about 5% of the population but we have a 90% higher sex drive than just about everyone else. That is, I think so?

DEZY RAY

I'M READY NOW FOR SOMEONE NEW

Yes, I said it. I'm only lonely with my husband. I married him thinking it would be fun and games, but after he ran out of libido, he's now a dud instead of a stud. I don't know if he doesn't find me attractive anymore or if he's getting it on the side. So when I need my ass slapped or pussy fucked, I just text my new friend Derrick for a booty call.

THIS MORNING'S DICK-TATION

Britt was the receptionist for this busy and rich businessman, but she was well paid so she came in and diligently did her job every day.

Britt sat at her desk applying the last of her makeup before the start of her workday. She had worked for this company for more than ten years and had outlasted many a new CEO. But this one was a little different. He was young, aggressive, indifferent, unmarried and kinda sexy at the same time.

Mr. Bradlee. Bruce Bradlee was his name and he was just in his third week on the job. She found that he was leaning on her for information about the company and it's employees. But Britt was not very willing to offer more than he asked. At thirty years of age, Britt was the receptionist for this busy and rich businessman, but she was well paid so she came in and diligently did her job every day.

His workday started early. Probably about 7 am, she figured. He expects her and three other officers to be in his office promptly at nine for their Monday morning meeting. Right at nine, the three department heads gather outside his office door and Britt lets them in, following them with her daily journal in hand to take the meeting's notes.

Britt and the others took their seats around the small conference table in the corner of the room. She distributed the day's papers and stretched her long elegant legs out from under the table. She was of German heritage from Minneapolis, but stayed in Chicago after college. She had an amazing figure with long legs, small waist and a firm pair of D breasts. She was smart and did her job well, but felt she was sometimes too quiet when she should be speaking up.

Bradlee walked over to the empty seat next to Britt. He was about 45 she thought. His black hair had already begun to grey around the temples. His broad shoulders and muscular arms had begun to soften from years behind the desk. Bradlee glanced around the table and listened as each department head reported. Attentive and sharp, he would occasionally add comments to the notes Britt was taking. After an hour the meeting concluded and the three left leaving Britt and Bradlee sitting at the table. He asked for his daily appointments and she answered with an 10:30 appointment with the board and then lunch with the wife at noon. 3 pm was a meeting with HR and at 3:30 was the engineering group.

After finishing recounting his appointments, Britt began to gather her papers. He stood up and turned towards her. She gazed up at him with wide, puzzled eyes and gasped slightly as she felt a hand unbuttoning the top of her blouse. She froze at this action as, having the top button undone, he then slid his hands down towards her cleavage and the large, plump breasts pressed tightly against a thin white bra. She tried to say something but her words failed her. Thousands of thoughts and feelings were unexpectedly running through her head.

Britt had grown up being taught that the men you respected – and she could not help but respect this man – you did not question. However, she knew this was wrong but felt any resistance fade when he bent forward, encircling her with his arms and pausing to take in a deep breath from her neck. She had no commitments, having been divorced three years ago, but he had a wife. How could he be doing this? Why would he do this? She closed her eyes, dizzy with unknown feelings.

He stood her up, pulled her to him and she heard the unzipping at the back of her skirt. As he leaned in, she felt the hard rise of his cock against the side of her thigh and gave a tiny cry of surprise. He pulled away, walking over to lock the door and when he returned to

her, he found that her skirt had fallen around her ankles and she hadn't bent down to pick it up.

Bradlee stared at her fine and full body. She wore matching panties to her bra that were so thin he could see the shadow of pubic hair around her pussy. His mouth opened slightly and he gave an incoherent moan of lust. Stepping forward, he took her tiny waist in his large, commanding grip. Bradlee unhooked her bra and released her large breasts from their confinement. His fingers ran expertly between and around them. By the time he reached her nipples, they had risen into hard, rosy points that tingled and throbbed. Rolling the left nipple with one hand, his breath blowing hard in her face, he took her right nipple between to fingers and increased the pressure until he was pinching it hard. Biting down on her lip, Britt recovered from the pain to discover a mind numbing pleasure she'd never known.

Bradlee backed off as he unzipped his suit pants and dropped them to the floor. His cock was already hard and pulsing with expectation as a small bead of moisture already crowned its head. She offered no resistance when he took her wrist and moved her hand to his cock, gripping it to tighten around its length. He reached for her panties and tugged them off, slipping his fingers between the warm, damp lips of her pussy. He could smell her now – that creamy, musky scent of a woman aroused.

Once he found her clitoris, teasing it cruelly at first, then doing all he could to drive her insane, she let out a cry and her chin fell slightly so it rested on his shoulder. After a few short moments, her entire body shuddered with orgasm and she fell against him, but he wasn't finished yet. As his first finger reached up inside her dripping pussy, she struggled against him, but a powerful arm was already around her shoulders, clinging her to him. Although she tried to resist, her hips were already bucking involuntarily against his hand. Once he slipped in the second finger, still teasing her clit with his thumb, she let out a soft moan and her cum dripped down his hand. Still thrusting with his hand, he pushed another finger into her.

Bradlee was in control and had three fingers inside her now. She spoke between erotic gasps. "I want you to fuck me. Your finger in my asshole and your cock in my wet little pussy." Removing his shirt and tie, he motioned to Britt how he wanted her to go down onto the floor on all fours. He roughly parted her firm thighs and glanced briefly at her tight ass before grabbing her by the waist and pulling her onto his cock. He felt her insides pulsating tightly against his dick, one finger pushed up into her ass. She cried out but Bradlee kept on thrusting his huge hardness inside her. Leaning forwards, lying across her back, he grabbed her breasts hard in his hands, using them to pull himself in and out of her.

Her cries quickly evaporated into moans of pleasure, and she was shocked at how much she enjoyed the feeling not only in her pussy, but of his finger in her ass. She began to buck back against him, her breasts rolling with the motion, her whole body glistening with sweat. She found herself pushing her hips higher to feel his finger deeper in her butt hole. This invitation got her another finger in her butt and harder deeper thrusts into her. Bradlee rolls over and lands on his back near his desk. Britt finds herself rolling on top of him as he slides his cock inside her again. He stares up at her perfectly sculptured body, her huge breasts swaying from side to side while she plunges herself up and down on top of him.

He stares up at her perfectly sculptured body, her huge breasts swaying from side to side while she plunges herself up and down on top of him.

He reaches out one arm and opens the bottom drawer of his desk. After a momentary fumble, he pulls out a black dildo and in one swift motion Bradlee reaches around behind her, and as he pulled her down onto his cock, he shoved the dildo into her ass with a single thrust. She moans and winces, but settles her ass into it as she feels her sphincter relax and accept the pleasure it brings. Britt realizes that both her holes are now filled and she is being sexed up on the floor in her boss' office – by her boss. Bradlee deftly pumps his cock and the dildo into her as she rides the rhythm, moaning and groaning in delight. He fucks her harder, partially pulling out the dildo and shoving it back in.

Britt sits up on him and pulls his hand and the dildo away from her ass. Raising herself a little she reaches between her legs and pulls his cock out and then positions it back a bit and lowers her ass on top of it. He moans with excitement as her warm soft butthole tightens around his shaft. She begins to move herself up and down on it, playing with her breasts and moaning. He replaces her hands with his on her heaving bosom and pinches her nipples hard. Britt cums with her first anal orgasm since college. Collapsing on top of him, she feels his cock still throbbing inside her anus. Britt gathers herself up and stands up in front of him. Bradlee gets up, but she gently pushes him back against the conference table.

He falls back onto it, feet on the floor and cock pointing up to the sky. She tells him to wait there and goes to the bathroom to get a washcloth and comes back to clean his cock with it. Traces of her were still on him, but she wanted a fresh cock to suck, and with that throws the cloth on the floor and devours his cock with her mouth. She opens his legs and reaches for his balls. Rolling them in her fingers, she finds them huge but cannot resist taking one and then the other in her mouth. Britt is on her knees in front of his rod and balls and is stroking him while sucking his balls. She moves her mouth back to his cock and licks the shaft. Her hands squeeze it hard and she is sensing he may be ready to cum. But she decides she is not through with him. She stands up and orders him to roll over on his chest on the table. While doing so, she finds the dildo on the floor and wipes it clean.

Britt cums with her first anal orgasm since college. Collapsing on top of him, she feels his cock still throbbing inside her anus.

Bending down, Britt noses into his butt crack with her tongue. She finds his pucker and licks it wet, probing the hole momentarily with her tongue. Backing off, she places the tip of the dildo at his butt hole and somewhat defiantly pushes it in – halfway at first – as he pushes his hips forward to retreat from it, but he can't. He lets out a muffled scream as she pushes it further in. Pushing it in and out like a plastic piston, she reaches under him and grabs his cock. She squeezes it and begins timing her strokes between the dildo and his cock. She withstands his bucking to make his climax monumental. Bradlee straightens up with the dildo still in his ass as Britt furiously strokes his cock until he spurts his man juice all over the table.

Britt playfully throws the washcloth at him and tells him to clean up his own mess. He wipes the table and looks up at Britt. "What time is my next meeting?" She responds that it's in ten minutes with the board.

"Would you like me to cancel it?"

YES, I'M A PRINCESS — BUT A NASTY ONE

I've been lucky or cursed with a man with a small dick. After trying for years to make his cock larger, I learned a little trick or two. To make my pussy tighter, I learned to contract my vaginal muscles to 'grip' his cock tight. My other trick is to have him fuck my ass! Now he feels huge! Or I can just go out and find someone with a big dick!

WE'RE IN THE KITCHEN

I have to admit that I'm a bit of a homebody. I also have to say that sex in the bedroom can get a little boring so when John booty-called me and wanted to come over, I said under one condition. We do it in the kitchen this time. So I cleaned the counters, washed the dishes and spruced myself up for what was going to be a hot afternoon, and you'll get to watch.
